The next step will direct you to agree to eClinicalworks form as well as the practice consent form.

The screenshot shows a web interface with two tabs at the top: "eClinicalworks Consent form" (which is selected) and "Practice Consent Form". Below the tabs is a scrollable text area containing the following text:

ONLINE COMMUNICATION INFORMED CONSENT

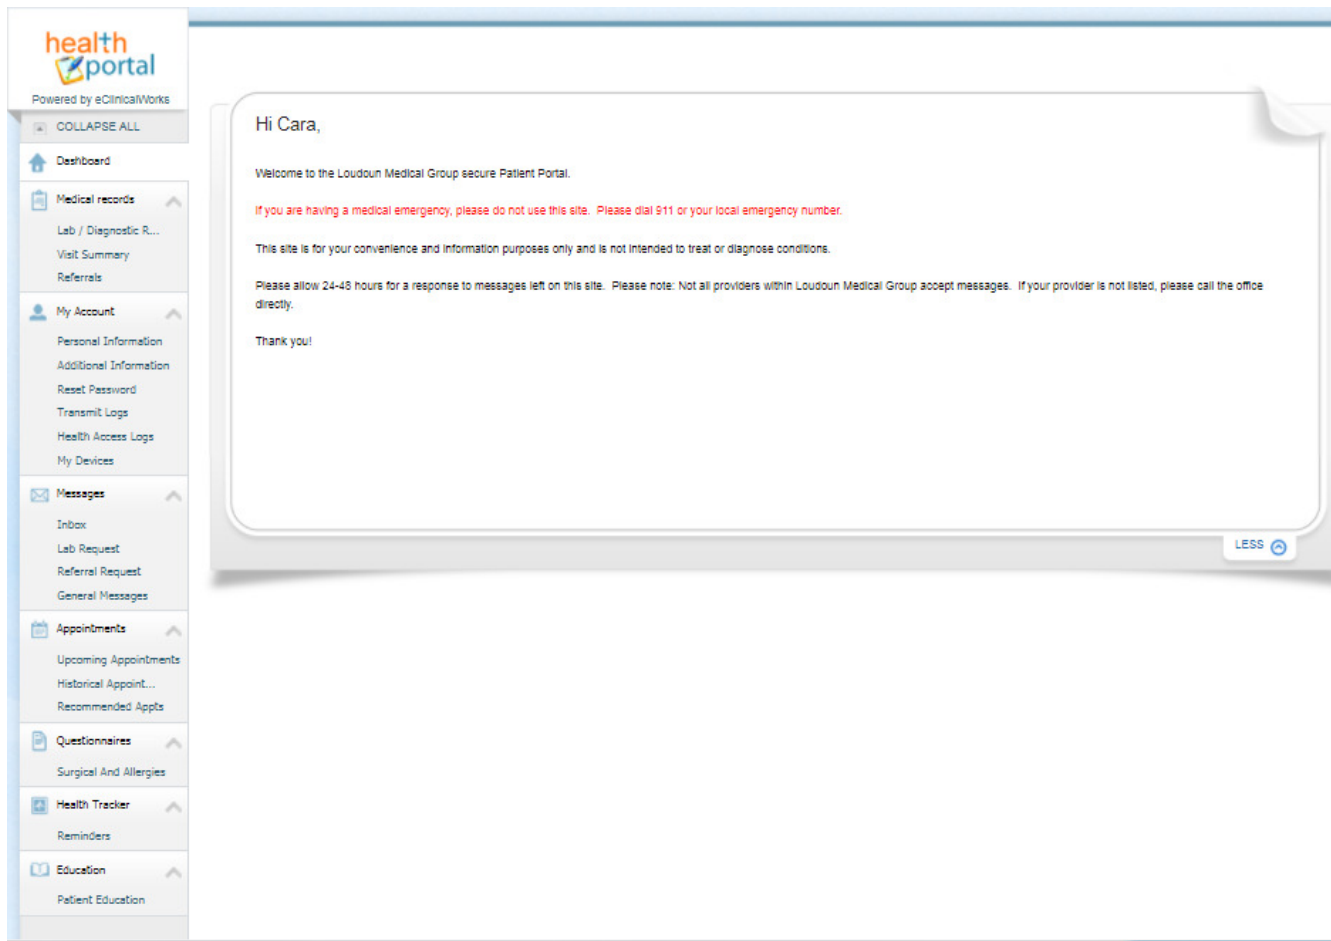

Instructions for Using Online Communication

You agree to take steps to keep your online communication to and from your physician confidential, including the following:

Do not store messages on your employer-provided computer; otherwise personal information could be accessed or owned by your employer.

At the bottom right of the interface are two buttons: "Next" (highlighted in orange) and "Cancel" (grey).

Next, the portal will bring you directly to your health portal dashboard.

Your health portal provides many benefits:

1. Electronic requests of Medical Records, including Lab / Diagnostic Reports and Referrals.
2. Easily find visit summaries that are uploaded by your physician.
3. Non-urgent patient messaging system to communicate to provider.
4. Check upcoming and historical appointments.
5. Electronically complete surgical or allergy history.
6. Electronic access to patient education files your provider has uploaded for you and has spoken to you about in your appointments.
